### GERMANS ACTIVE IN THE REGION OF YPRES

Russians Have Driven Back Austrians and Germans, and the Czar's Cavalry is now Operating on German Territory-Austrian Forces Aggressive Along the Nieda River, in Poland and Offensive in Galicia-Have Captured 12,000 Russians in Recent Engagements on the San River-Emperor William Calls Council of Generals to Discuss a New Plan of Campaign.

Beyond the fact that the allied next day were operating on the Rive Brench British and Belgian forces are taking the offensive, little has been made public regarding the operations in Belgium and northern France. The French official communication says that the Germans are particularly active in the region of Ypres, but that tive in the region of Ypres, but that they have achieved nothing and that ewhere on the Aisne the allies are holding their ground. To the north east of Soissons, however, the allier have made rather notable progress in gaining the Vregny plateau, on which they had not previously bleen able to gain a foothold.

In the eastern field of the war, ac cording to all of the reports, the Rus-sians have made decided progress against the Germans and Austrians against the Germans and Austrians and Russian cavalry have penetrated German territory. Likewise, the Rus-sians have succeeded in driving back the rear guards of the Austrian forces along the Nieda river in Poland and in Gallcia are carrying out a strong offensive movement, which is indicat ed by the official report that they have succeeded in capturing more than 12,recent engagements on the San river.

A newspaper dispatch gives the estimate of about 2,000,000 of Austrian and Russian troops on the line from Cracow, Galicia, to Thorn in East

A newspaper dispatch gives the estimate of about 2,000,000 of Austrian and Russian troops on the line from Cracow. Galicia, to Thorn in East Prussia.

Regarding the Russian operations, Earl Hitchener, the British secretary of state, has telegraphed congratulations to Grand Duke Nicholas on the success of the Russian arms against the Germans and Austrians. He vandured to predict that the joint efforts of the allies would result in the final crushing defeat of the enemy.

#### ALLIES ADVANCE ALONG

London, Nov. 8, 2:05 p. m.—The second week's report of the American commission for relief in Beigium shows that the commission in a fortnight has delivered to Beigian relief stations 2.283 tons of cereal foodstuffs. Additional supplies in hand are as follows:

In Holland being forwarded, 2,080 tons; enroute from England, 3,472; suroute on the Atlantic, 6,100; loading in various ports, 10,000. Also the commission has in course of collection eight cargoes estimated at 32,600 tons. By November 13 the commission will Fighting is Less Violent Between North Sea and Lys

Paris. France, Nov. 8, 3:50 p. m.— The Sunday afternoon French official War statement said:
Yesterday between the North Sea and the Lys the fighting was less violent. Some attacks, not general, of the enemy were repulsed in the direction of Dixmude and to the northeast of Tpres. O nalmost all of this front we in turn took the offensive and advanced, notably in the region to fine north of Messins.

By November 18 the commission will have delivered into Beigium about 17.—600 tons of foodstuffs and during the last half of the month, with the supplies now arranged, will deliver about 18,000 tons.

The requirements from thee first of advanced, notably in the region to fine monthly and the commission has as-
